You Need Organizational Development Solutions Tailored to Your Strategic Priorities

At The Conference Board of Canada and The Niagara Institute, we understand the importance of having organizational and leadership development solutions that are customized to meet the specific needs of your organization. That's why we don't simply supply off-the-shelf solutions.

Together, we offer you and your organization an integrated approach to research, diagnostics, insights, and strategic advice.

We Will Partner With You To ...

- Improve leadership effectiveness in your organization
- Enhance succession management
- Develop your next generation of leaders
- Create a learning culture that supports sustainable, effective development

“... results reveal a deep-seated concern about talent and human capital-related issues—from recruitment and retention to skill development, to nurturing the next generation of leaders to take their organizations to the next level in this highly complex and profit-challenged global business environment.”

The Conference Board CEO Challenge 2016
